Dear Supervisors:

**AGREEMENTS TO PURCHASE
"TAX DEFAULTED SUBJECT TO POWER TO SELL" PROPERTIES
SUPERVISORIAL DISTRICT 4 - AGREEMENT 2473
SUPERVISORIAL DISTRICT 5 - AGREEMENT 2478**

(3 VOTES)

IT IS RECOMMENDED THAT YOUR BOARD:

Approve and instruct the Chair to sign the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties being acquired by the Puente Hills Landfill Native Habitat Preservation Authority and the City of Santa Clarita (public agencies) pursuant to the Revenue and Taxation Code, with revenue to be provided to recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels and any remaining tax balance to be cancelled from the existing tax rolls; and approve publication of the Purchase Agreements of "Tax Defaulted Subject to Power to Sell" properties.

PURPOSE OF RECOMMENDED ACTION

The properties described in the agreements may be sold in accordance with the provisions of Division 1, Part 6, Chapter 8 of the Revenue and Taxation Code and with the policy adopted by Board action on November 24, 1970 as indicated on Attachment "A". Exhibit "A", attached to each agreement, indicates the legal description and selling price of the parcels.

Upon approval, the enclosed agreements and copies are to be signed by the Chair and returned to the Tax Collector for transmittal to the State Controller for further approval. County Counsel has approved the agreements as to form.

IMPLEMENTATION OF STRATEGIC PLAN GOALS

Approval of these agreements is in accordance with the Countywide Strategic Plan Goals of Fiscal Responsibility and Collaboration Across Jurisdictional Boundaries. Delinquent property taxes and costs are recovered, and limited-use parcels are identified for appropriate public purposes.

JUSTIFICATION

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties without the necessity of a public auction. The properties described in this letter will be acquired by two public agencies. The first agreement is with the Puente Hills Landfill Native Habitat Preservation Authority, which intends to utilize the property for open space purposes. The second agreement is with the City of Santa Clarita, which intends to utilize this property for the completion of the Sierra Highway Road Widening Project.

FISCAL IMPACT/FINANCING

Revenue will be provided to the County for apportionment among the affected taxing agencies, which will recover a portion, if not all, of back property taxes, penalties, and costs on the delinquent parcels. Any remaining tax balance will be cancelled from the existing tax roll.

Existing appropriation is available in the current Treasurer and Tax Collector 2005/2006 Budget for publication costs. Publishing, in accordance with Section 3798 of the Revenue and Taxation Code, is the most cost-effective method of giving adequate notification to parties of interest.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Chapter 8 Agreement sale procedure permits eligible public agencies to acquire "Tax Defaulted Subject to Power to Sell" properties pursuant to Section 3791, et seq., of the Revenue and Taxation Code.

Attachment "B" is a summary of the public agencies' purchases. This attachment indicates the affected Supervisorial Districts and the public use for which the properties

are being acquired. Moreover, we have included copies of the relevant sections of the Revenue and Taxation Code pertaining to the Chapter 8 Agreement sale for your information. County Counsel has approved the agreements as to form. Attached to the agreements are the Assessor's parcel maps showing the dimensions and general location of the affected parcels.

Efforts will be made to contact the owners and parties of interest to inform them of their tax liabilities and the provisions for the redemption of the property pursuant to Section 3799 of the Revenue and Taxation Code.

Section 3798 of the Revenue and Taxation Code mandates notice of agreements to be published once a week for three (3) successive weeks in a newspaper of general circulation published in the County.

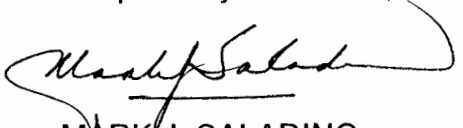

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

Upon approval of the enclosed agreement forms, the Department of the Treasurer and Tax Collector will need all original documents returned for submission to the State Controller, as the State Controller's Office has the final approval of this and all Chapter 8 Agreements.

Respectfully submitted,

MARK J. SALADINO

Gentlemen:

TAX AGREEMENT SALES

RECOMMENDATION:

That the Tax Collector be directed to review all requests for agreement sales pursuant to Chapter 8 of the Revenue and Taxation Code and recommend to the Board whether such requests should be approved in whole, in part, or denied.

That the Tax Collector is further instructed to review and recommend the price to be paid for such sales which price, in the absence of special circumstances, shall not be less than the amount necessary to redeem the property pursuant to Part 7 of Division 1 of the Revenue and Taxation Code.

EXPLANATION:

This office has recently completed a review of the policies currently in use with regard to the acquisi-

Board of Supervisors - Page 2 - November 17, 1970

tion of tax deeded lands by taxing agencies under the authority of Chapter 8 of the Revenue and Taxation Code. This study showed that while present practices are in technical conformity with various statutory requirements, the \$1 per parcel price has remained constant since October 19, 1943.

It is the opinion of this office that the continuation of this nominal price is no longer in the best interest of the County and the other involved taxing agencies. The sale for a minimal fee of properties charged with sizable tax deficiencies results in substantial revenue losses to the County and other agencies.

The nominal fee can also result in requests for acquisition without adequate attention given to actual need by the requesting agency. The result is the removal of additional property from the tax base. If resold later as surplus, the proceeds accrue only to the acquiring agency.

Very truly yours,

Tax Defaulted Property Necessary for Sierra Highway Road Widening
APN No. 2842-033-020 (County of Los Angeles Treasurer and Tax
Collector 2005a Tax Sale).

Dear Mr. Redins:

In response to the letter from Donna Doss dated November 12, 2004 regarding the proposed sale of APN#2842-033-020, the City of Santa Clarita does hereby object to the sale of this parcel. The City, in compliance with the procedures and requirements for local agencies to acquire tax defaulted properties via the Chapter 8 process, is formally requesting to enter into an agreement to purchase APN#2842-033-020. Additionally, as part of those requirements, please find attached a copy of our mission statement.

The City of Santa Clarita is requesting to purchase APN 2842-033-020, as part of the Sierra Highway road widening project. Earlier this year, we completed the acquisition of several other tax defaulted parcels, (APN Nos. 2842-33-014, 2842-033-016, 2842-033-015, and 2842-033-021), which are also part of this road project. This final parcel is required to complete the grading, slope, and turn pocket improvements for the project.

The improvements on Sierra Highway are paramount for public safety and the completion of the eastern portion of Golden Valley Road, which is an integral part of the Cross Valley Connector. The Cross Valley Connector project is a top priority of our City Council. I would appreciate any assistance you can provide in expediting the sale of this remaining property to the City.

LOS ANGELES COUNTY TAX-DEFAULTED PROPERTY,

ROAD WIDENING

DEPARTMENT:

Building and Engineering

RECOMMENDED ACTION

City Council approve Chapter 8 Agreement No. 2478 to purchase Los Angeles County Tax-Defaulted Property, APN No. 2842-033-020, subject to City Attorney approval; appropriate funds in the amount of \$1417.00 from the Eastside Bridge & Thoroughfare Account No. 302-6193 to expenditure Account No. 4362-8620 for the property purchase and additional fees necessary to facilitate the publication and transfer fees; and authorize the City Manager or designee to execute all documents, subject to City Attorney approval.

BACKGROUND

On November 8, 2000, the City Council approved Resolution No. 00-151 (Master Case No. 97-143) and Conditions of Approval for Tract 48892. The Conditions of Approval required the developer to widen a portion of northbound Sierra Highway to accommodate a right-turn pocket onto Golden Valley Road. A total of eleven parcels are affected by the road widening.

Pursuant to the provisions of Chapter 8 of the Los Angeles County Revenue and Taxation Code, governing agencies may enjoy priority to purchase tax-defaulted properties for public use purposes prior to, or while, the properties are publicly auctioned by the County. As the developer does not have the privilege, the City desires to purchase this property to enable the road widening to proceed.

Four of the eleven affected parcels were previously purchased by the City via the Chapter 8 process. This is the last parcel necessary for the improvement that is subject to tax default and available for the City to acquire through a Chapter 8 Purchase Agreement.

In order to acquire this parcel via the Chapter 8 process, the City must sign the Agreement to Purchase Los Angeles County Tax-Defaulted Property (Exhibit A), pay the purchase price listed for the parcel in the Agreement (\$917.00), and pay title and transfer fees of approximately \$500.00, totaling \$1417.00 to acquire the parcel.

ALTERNATIVE ACTIONS

Other action as determined by the City Council.

FISCAL IMPACT

The current balance of the Eastside Bridge & Thoroughfare Account No. 302-6193 is approximately \$1,879,130.00. Should the City Council approve the Agreement to purchase this parcel, the Eastside Bridge & Thoroughfare District will retain a remaining balance of \$1,877,713.00. This amount is sufficient for the anticipated future needs identified for funding via the Eastside Bridge & Thoroughfare District.
